

**LITTLE GASPARILLA ISLAND MANATEE CHANNELS**  
(Speed limit 25 MPH in channels only)

**Exit WSW from Eldred's' Marina**

**Look for the markers for the manatee channels (shown in blue) When the channel forks, turn north or south. Docks are numbered north to south; higher numbers are south. Docks 6-51 are off the north fork. (Look for the matching "twin houses" which are at Dock 43.) Docks 66 to 142 take the south fork. Dock 66 is almost straight ahead. Look for the turquoise roofs of Placida Harbor Condos; Dock 66 and 69 are just south of those condos**
